ENTRY REGULATIONS

1. The entry fee is **\$3.00** per bottle
2. The Competitor must be a member in good standing of a wine club that is affiliated with the BCAWA.
3. **On-line Entry Procedure** can be found at the BCAWA website, www.bcawa.ca on the tabs on the left side of the website, click on BCAWA and then scroll down to the bottom heading, “Wine Competition System” where you register and log on to the site. Select 2017 Chilliwack Zymurgy Competition and enter your information. This will produce your entry form as well as individual bottle tags for you to print out and attach to your entries with an elastic band. Please include your entry form and fee with your bottle entries.

4. Competitor may enter **three** bottles in each class, but each bottle must contain wine made from different ingredients or, in the case of grapes, from different varieties or of a different vintage.
5. Wines or beers made at U-Brew or Commercial establishments are not eligible for entry.
6. All entries are to be in the hands of the Registrar or drop off points by **Sat. Feb 11th, 2017**.

NO LATE ENTRIES

7. All entries become the property of the Chilliwack Zymurgy Club for the use at the Competition.
8. The dividing line for Sweet and Dry Classes is 1.000 SG.
9. Wines are to be presented in any standard unmarked wine bottle with a minimum of 750ml capacity (with exception of classes A1, A2, F, G, that can be 375 ml. min). Note: Although the appearance of the wine will be judged in the glass rather than in the bottle, the Competitor should bear in mind that the Judges will see the bottles and may be adversely prejudiced by sloppy presentation. Although the Stewards will handle the bottles as carefully as possible, a deposit that is not firm could well stir up to cloud the wine and detract from the appearance in the glass, thus losing points.
10. Sparkling wines must be in pressure bottles closed with standard closures, secured by wires or closed with crown caps.
11. Brew and cider entries must be in standard unmarked beer bottles with crown caps.
12. Tags – please fill out the information in the on-line registration.
13. There must be no labels, shrink caps, or other distinguishing marks on bottles.
