ENTRY REGULATIONS

1. The entry fee is \$5.00 per bottle
2. The Competitor must be a member in good standing of a wine club that is affiliated with the BCAWA.
3. All entries must be entered into the competition using the On-Line Competition System. The On-line Entry Procedure can be found at the BCAWA website, www.bcawa.ca on the tabs on the left side of the website, click on BCAWA and then scroll down to the bottom heading, Wine Competition System where you register and log on to the site. Select 2019 Chilliwack Zymurgy Competition and enter your information. This will produce your entry form as well as individual bottle tags for you to print out and attach to your entries with an elastic band. Please include your entry form and fee with your bottle entries.
4. Competitor may enter three bottles in each class, but each bottle must contain wine made from different ingredients or, in the case of grapes, from different varieties or of a different vintage.
5. Wines made at U-Brew or Commercial establishments are not eligible for entry.
6. All entries are to be in the hands of the Registrar or drop off points by Sunday June 16, 2019. Exception entries from the Island please have your entries to Island drop off points Sunday June 9th.
7. All entries become the property of the Chilliwack Zymurgy Club for the use at the Competition.
8. The dividing line for Sweet and Dry Classes is 1.000 SG.
9. Wines are to be presented in any standard unmarked wine bottle with a minimum of 750 ml capacity (with exception of classes A1, A2, F, G, that can be 375 ml. min. Note: Although the appearance of the wine will be judged in the glass rather than in the bottle, the Competitor should bear in mind that the Judges will see the bottles and may be adversely prejudiced by sloppy presentation. Although the Stewards will handle the bottles as carefully as possible, a deposit that is not firm could well stir up to cloud the wine and detract from the appearance in the glass, thus losing points.
10. Sparkling wines must be in pressure bottles closed with standard closures, secured by wires or closed with crown caps.
11. Tags – please fill out the information in the on-line registration.
12. There must be no labels, shrink caps, or other distinguishing marks on bottles

Late Entries will not be accepted.
